Meet your 2010 Committee

The AGM was held on Saturday 27th March 2010. It was good to see a good attendance by members. The old committee was thanked for their hard efforts and the new committee welcomed in.

feel a part of a club that is full of wonderful people with a common interest in aviation and aerobatics....so I am asking for help to keep the newsletter active. The aim is to produce one at least every 3 months (or more if there are enough articles).

Send any/all items to tracy@aeros.com.au or PO Box 99 Archerfield Qld 4108.

Special Visitors

Hilton and Enid Selvey took time out of their busy schedule to call into Watts Bridge and see how the Qld Chapter is fairing. For those of us that are new to the AAC, Hilton and Enid have contributed to a large part of the history with in the AAC, joining the club in 1976. Hilton has over the years built 4 aircraft, Pitts S2S, Laser, RV and the Pitts VH-SIE which is now owned by Mark Galletly and has just won the Title of Intermediate Champion of Australia. Hilton and his son competed as part of the Australian Team at the World Aerobatic Competitions. Enid has also a judged at the World Competitions.

HELP!!!

Normally this piece in a newsletter goes to the end however... to keep this newsletter going I am going to need help from YOU..... In the form of articles, ideas and pictures

I am by no means a person who has the ability to put fingers to keyboard and produce a riveting read, but I am willing to try and keep the members informed and

Aircraft Now Available to Members

Steve Maltby, the owner of VH-SIS has kindly offered to make the near new Super Decathlon available to our Chapter members for private hire out of Archerfield by arrangement through Sunland Aviation and at Watts Bridge on our scheduled practice weekends.

The private hire rate will be \$240.00 plus GST.

To get on the approved pilot list, simply contact Sunland and arrange for a short check flight with either of their Grade 1 Instructors, Tom Christopher or Peter Franks. You will need to have completed the check prior to flying it solo at Watts. If you haven't got an Aerobatic Endorsement yet, talk to Tom or Peter. They can help you out.

THE PENCILLER'S LAMENT

(Tune to Que Sera Sera)

There I was sitting on the line
I asked the Chief Judge what it would be
Would it be seven
Would it be nine
Here's what they said to me

Que Sera Sera
The loop wasn't round you see
It might only score a three
Que Sera Sera

Now it's mine turn to fly the box
And I'm as shit scared as I could be
I've stuffed up my stall turn
Screwed up my spin
They'll give point 5 to me

Que Sera Sera
It's two concrete shoes for me
I think I've failed my free
Que Sera Sera

The scores have been posted on the board
I see no zeros how could that be
They've marked me eight fives
They've marked me nines
The feeling is ecstasy

Que Sera Sera
It's up to first place for me
The shoes are now history
Que Sera Sera

Till Next Time !!!!
