

The Queensland Chapter Newsletter

September 2005

***New South Wales State
Championships at Temora
on
7th to 10th October 2005***

This will be an excellent weekend with thrills and adrenalin rushes to be had by all. There are quite a few of the Queensland members making the trip down South to the airfield with one of (if not 'the') best war-bird collections in Australia. Our Captain of flying, Mal Beard, is Chief Judge and Tracy is the Scorer but don't expect any favours!

As Liz said in her email on the contest:

“challenge your intestinal fortitude to a session in the box with some of Australia's most experienced aerobatic judges watching your every move...” (Oh, I prefer to do that sort of thing on my own, I'm not sure that I want to go now!).

There will also be AAC/AAC NSW sew-on patches and AAC tee shirts for sale throughout the weekend (perhaps I'll give the NSW patch a miss!).

Entries are required by 23rd September 2005 and entry forms are available on our web site (see end of this Newsletter for web address). Please send money order or cheque to:

Laurent Lamy
3 Attunga Place
BRADBURY
NSW 2560

The August newsletter of the NSW Chapter is available for download on

Next Practise Days

Next practise days at Watts Bridge Airfield are on the weekends of:

24th & 25th Sept 2005
22nd & 23rd Oct 2005

The competition at the end of September is planned to be a mini-competition. Put these dates in your diary now!

Club House Status

The Board of Management of Watts Bridge has advise that SEQWater has consented to an application being made to Esk Shire Council for construction of a clubhouse building upon certain bits of

evidence being provided (which I'm sure we can). So, another step nearer!

Social Evening

Put the date of **15th October 2005** in your diaries as we are planning an evening out on this night. The evening will include Wine Tasting, Nibbles supplied by Merryn and a presentation on the testing of the Sea Harrier so it should be of interest to us Aircraft minded people. The evening will be open to all so if you have friends who would like to come along on this night tell them to mark their diaries also.

Club House Contributions

Once again help the club take this big step towards owning its own club house and be proud to have been one of those who unselfishly gave \$600 and started the Queensland Aerobatic Clubhouse to become a reality! If you don't know how to offer this money then I'm sure that Matt Burnet will only be too pleased to let you know how it can be done or drop me an email!

Congratulations Brendan Scilini

Well has been a bit of a wait for our patient Brendan as his Pitts VH-CEX arrived a few months ago and with new AD's etc he has finally spread his wings and hit the wild blue yonder.

Cheers,

Clive Tudge
