

Season Greetings to All WBMA members & families

The Watts News has a history of providing news of the “goings on” around the airfield and as the new editors; we would like to continue in the same vein. Your contributions are most welcome as are your suggestion on what might be included. Doug is an avid photographer so if you see him around with his camera, he may be clicking away for the next newsletter. The deadline for the next edition is February 15. Please Email any contributions to: dnl.s@bigpond.com
